SPRING CLEANING!!

It is that time to do our annual spring cleaning of the grounds at the clubhouse. If you are interested in helping out, please contact Laurie Gilmore at 249.8524 to volunteer your services and time. A lot of work goes into getting the area clean for the upcoming swim season.

3/3/07 ANNUAL MEETING RECAP: New board members were elected and installed. The 2007 proposed budget was approved (see budget attached).

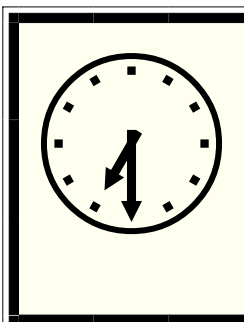

Waste Management is now responsible for all garbage and recycle bins, so please call 210.368.5051 for assistance. (Our experience advises us to tell you to keep calling until you get results!). They have been billing us a fuel charge, therefore we now have a "Waste Mgmt. Fuel Pass Thru Charge" of \$1.30/month added to our dues. This begins in March but since the billing has been processed, you will see two of these charges on your April billing and then once a month thereafter.

Our website is up and running at www.rangercreek.org so check it out!

The new mail boxes are nice and a big thanks to all homeowners who helped make it happen; however, our mail service is still not up to par. If you have mail delivered to your mailbox that is not yours, please do not tack it to our sign board. For security purposes, put mis-delivered mail in the blue mailbox or mail it to the postmaster.

There was a request for the subdivision to get two big dumpsters again with volunteers to police the area. This time if we get them, there will be a list of items not able to be put in the dumpsters like lawnmowers and other gas items.

Please call Animal Control when you have animal issues in our neighborhood to keep our area safe!

SPRING IS IN THE AIR ~ WALKERS, RUNNERS & CHILDREN ARE ON THE STREETS:

There are many walkers/runners and children on the streets with spring starting and warmer temperatures so we ask that you please slow down so we don't have an unfortunate accident in our neighborhood. For those that are interested, here is a guideline of the distance it is to walk/run from the clubhouse to different locations:

- Clubhouse parking lot to 4-way stop at Doeskin and Ranger Drive and back - 1.4 miles
- Clubhouse parking lot to I-10 by apartments on Doeskin and back - 2.2 miles
- Clubhouse parking lot down Doeskin to I-10 to end of Creekside Terrace on other side of Mission Pharmaceutical and back - 3.4 miles
- Clubhouse parking lot to the 4-way stop at Doeskin and Ranger Drive, then down Ranger Drive to I-10 and back - 2.8 miles

NOTE: To the cars that are coming home after dark: if you have your bright lights on and are passing a walker/runner, it blinds the person so please be considerate and turn your bright lights down.....and

REMEMBER, PLEASE SLOW DOWN!!!
